Dear Mr. Asatoonian,

My name is Salpy Marie Possian. I am currently in my last year at LaSalle College in the Fashion Marketing program and will be graduating in May. I would be delighted to do a 3 week un-paid internship with your company, so that I could learn new skills and gain practical experience. I have always loved and have been interested in Rudsak as a company and everything it has to offer. I have heard many great things about your company and I would be honored to learn more about it.

As a student in Fashion Marketing, I feel that the skills I have acquired will help me better understand the concepts of marketing strategies, how to work in a team and much more. I will also gain a lot of experience and better understand what it is like to work in a luxurious company.

Once again, I would be honored to be able to work for "Rudsak Atelier" and experience the many amazing things it has to offer. Attached you will find my resume. Please feel free to contact me at (514) 290-7947 if there would be an opportunity for me to work for you or should you wish to meet me in person.

Sincerely,

Salpy Marie Possian
