## **VOLUNTEER EXPERIENCE:**

### **SPCA, SURREY BC, HOUSEKEEPING, SPRING 2019 - DECEMBER 2019**

- Responsibilities included taking care of the cats there, making sure they were fed and their bedding was cleaned.

### **ABBOTSFORD POLICE DEPARTMENT, VIDEOGRAPHER, 2015-2019**

I have volunteered for the past 6 years by making videos and participating in other initiatives aimed at connecting with the public.

- Participated in a distracted driving video about “thinking inside the box” where we encouraged people to put their phones in specifically labelled cardboard boxes to avoid distraction or a collision while driving.
- Participated in back-to-school road safety campaigns and reminding people to lock their cars and houses. I was even part of the APD’s Canada Day parade group in 2016.

### **KIDSPORT, SURREY, PHOTOGRAPHER, 2015-2019**

It is a non-profit that provides sports registration fees for kids and family who can’t afford to participate.

- Apart of the annual Kidsport BC forum in Vancouver.
- Videos I made: “KidSport Halloween 2019” it was for the month of October, a bit more creepy but also reminding people the importance of the organization.
- The other video was a bit more comedic but also shows that sports and fitness is important for everyone.
