LA PETITE MORT

“La petite mort” is an expression which means the brief loss or weakening of consciousness and in modern usage refers specifically to the sensation of orgasm as likened to death. More widely, it can refer to the spiritual release that comes with orgasm or to a short period of melancholy or transcendence as a result of the expenditure of the life force.

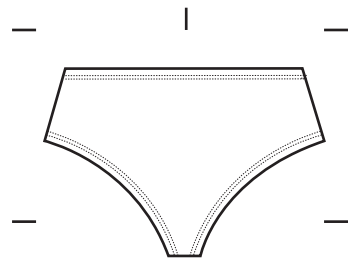

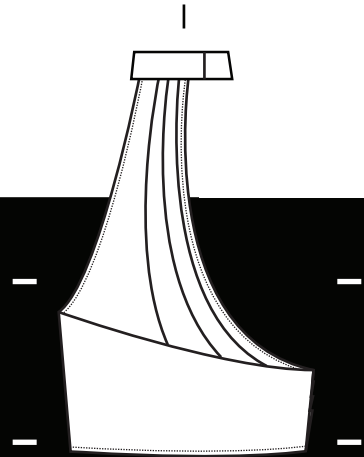

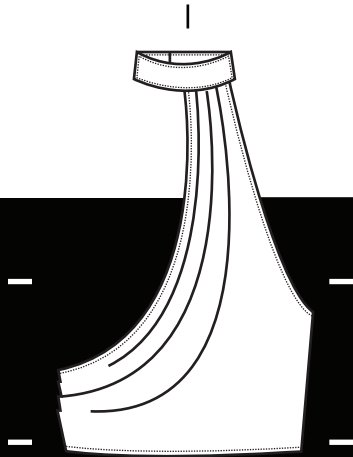

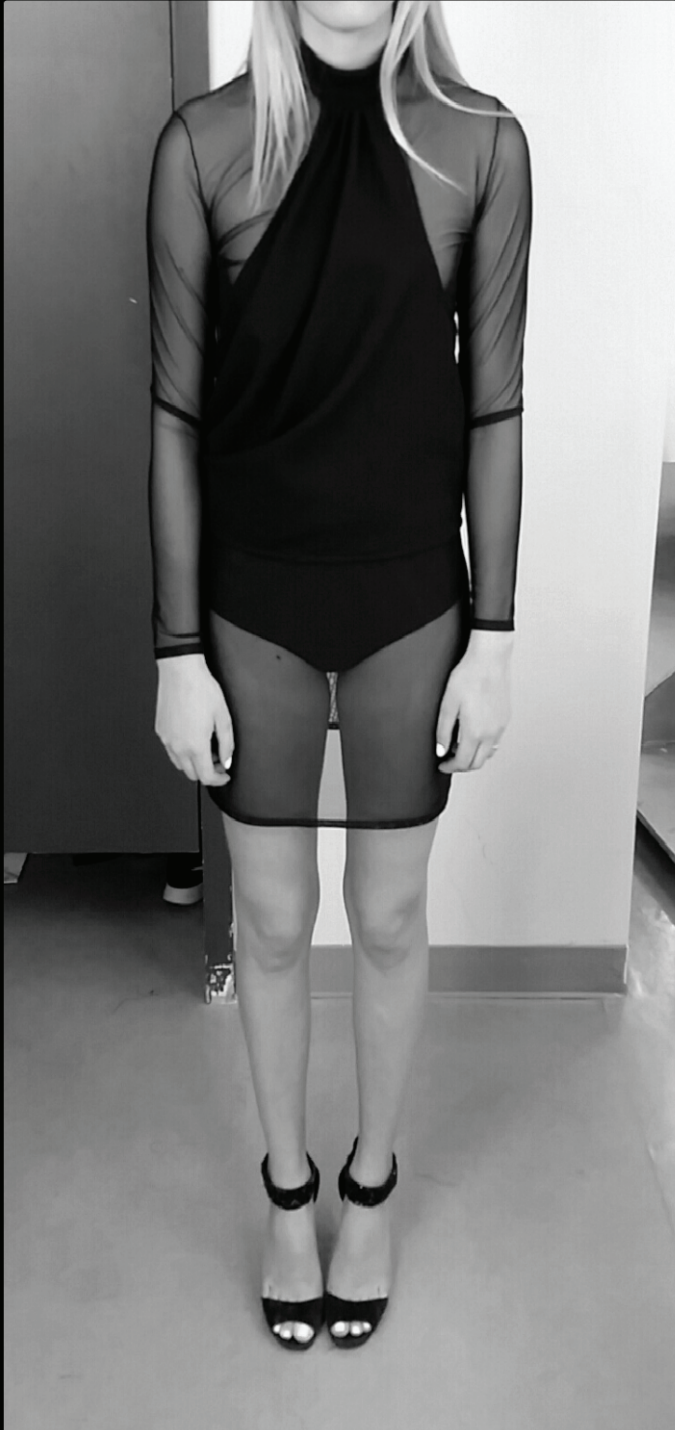

*We're so lost,
will we ever get back again?
Will we ever get found?*

*-“Maybe you have to know the darkness before you
can appreciate the light.”*

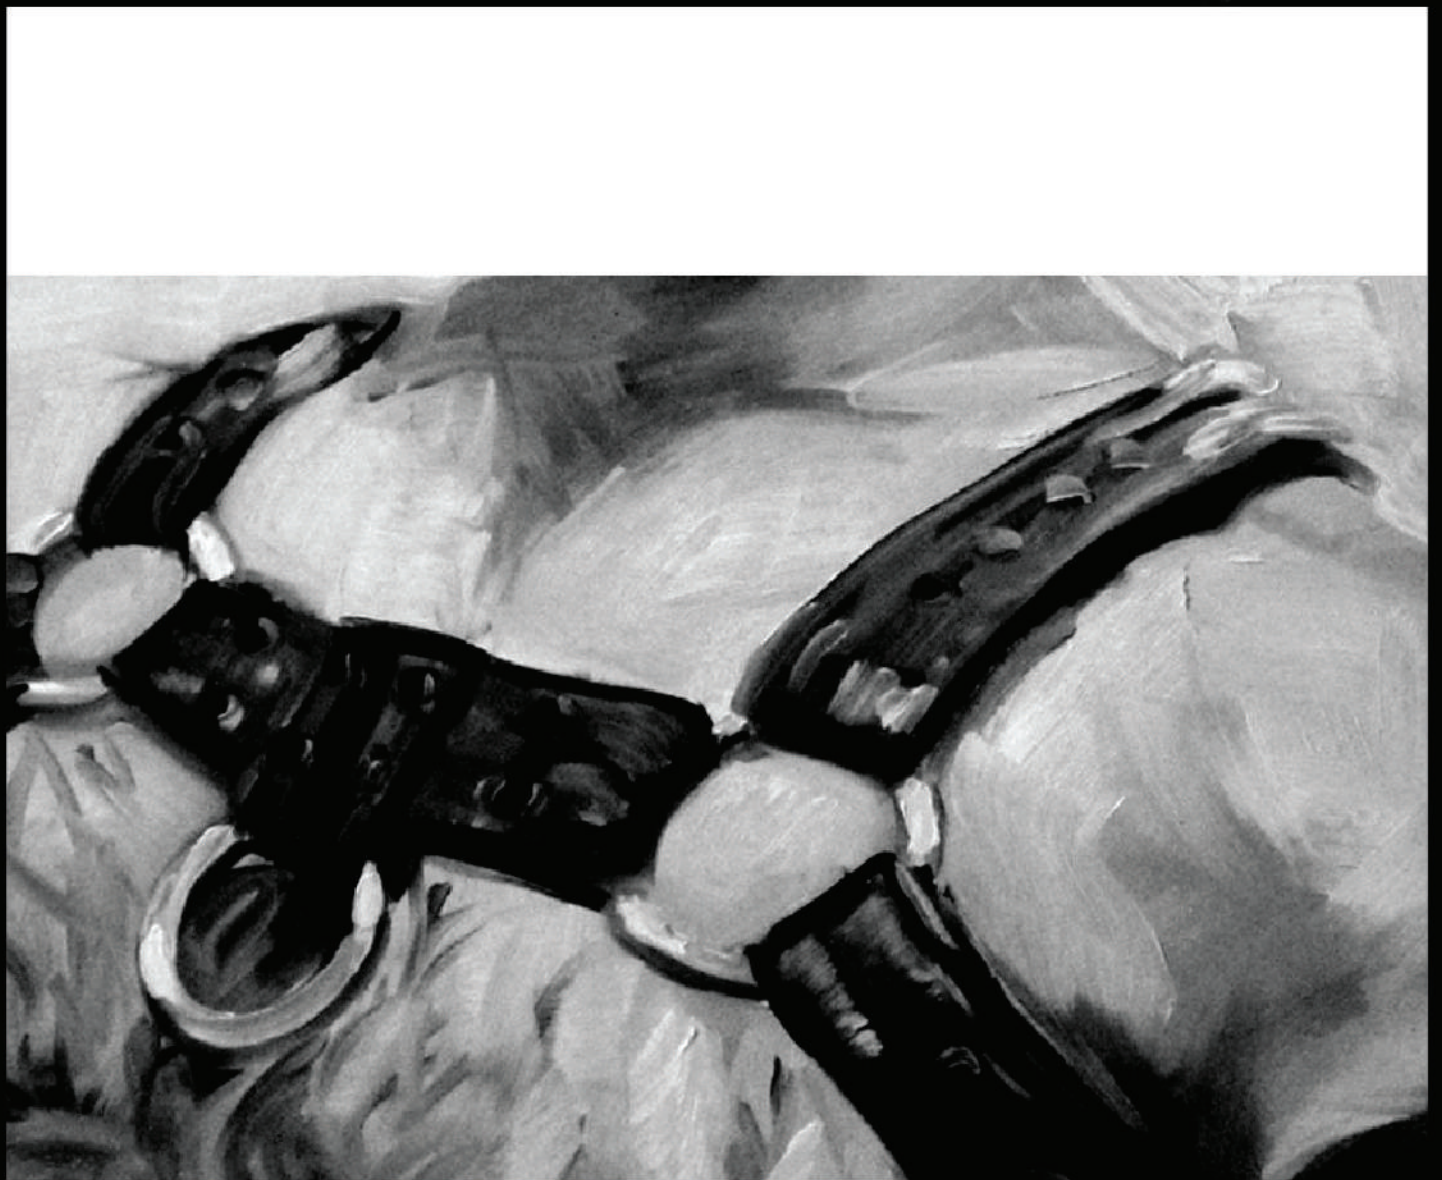

creativite

*I've turned my back on myself
I don't want to hurt anyone else*

*Show me your sign
Water and Wine
I need you to be
More than a voice in me*
