Pants

There's many of pants in the world but i gonna explain mens pants. Mens pants are really important because most of men in the world use pants for daily activity. Pants can be use for women too. In mens pants there's many type of pants there is jeans, trousers, etc. And for Jacob as Fashion Influencer he really like to use pants cause pants make him comfortable

Denim Jacket

Jacket have a lot of type that i'm gonna explain is Denim Jacket. Denim jacket can be use by men and women. A lot of people like to use jacket for daily activity tentunya laki-laki. I like to use denim too for my dasily activity. Denim can be use for fashion and warming body too. And for Catharina as

JUMPSUIT

Jumpsuit is unique clothes. Jumpsuit can be a lot of outfit you can use it for street-wear and casual wear. I know sometimes use jumpsuit is not easy but it was a fashionable clothes. Jumpsuit have a lot of type that you can wear. And jumpsuit it also comfortable.

BAG PACKS

The last one is bags. Bags is important for everyone because with bag you can put everything in you bag that what you wanna bring. Bags can make you more easily to take everything you wanna take. That i like is backpack. Because you can bring a lot of stuff with this bag. This bag usually use for school . For Nisrina as a employee this bag can use for work because can fit a lot of files. and you can bring this bag for vacation.
