PROFILE

Recently graduated from LaSalle College Vancouver with diploma of Interior Design. Had the opportunity to solidify my skills in foundational art and graphic design. Most of my inspiration comes from concepts of minimalism and abstract expressionism art movement. I am currently seeking opportunities within the interior and graphic design industry to develop my abilities working for a professional company and to become a designer who uses multidisciplinary artistic elements for creative visuals.

PROJECTS

Family Residence

Lasalle College Vancouver | Residential Design
Apr 9 - Jun 18, 2019

First interior design project. Focused on circulation that based on family's life style. I have developed managing the space plan and materials of finishes for the client.

First Acne Studios Store in Vancouver

LaSalle College Vancouver | Commercial Design
Jan 7 - Mar 18, 2020

This project was to create the first flagship store in Vancouver of a brand that I have chosen. Designed new space that has unique and iconic environment in the store. I selected materials that is harmonized with new space and the brand's style. Had to create areas for each sections from huge space.

Editorial Design

LaSalle College Vancouver | Digital Presentation Techniques
Apr 7 - Jun 16, 2020

This project was the helpful to develop my skills of graphic design to organize portfolio layout through create unique typography style, typesetting, and visual hierarchy. I designed the layout inspired by bauhaus design movement.
