

Edith Garrido | B. ARCH + BID

Edith has worked in Architecture and Interior Design projects since 2010, with experience in Urban Master Planning as well as Landscape design and Construction in both private and public sector.

She has a Bachelor's degree in Architecture, a Professional Photography Diploma and Bachelor's degree in Interior Design.

She also had the privilege to participate in a summer workshop with 2010 Pritzker prize - SANAA regarding social and urban studies.

Creative, driven and extremely passionate about design, she is constantly engaging in other design related areas such as furniture, textile design and oil painting.
