LOULOU

Letters to Christine Laroche ,
Associate Fashion Editor
1200 McGill College Ave., Office 1700
Montréal, Québec
H3B 4G7

Dear Ms. Laroche,

I'm going to introduce myself. My name is Sharny –Orcel Romulus and I'm going to graduate this summer at LaSalle College in Fashion Marketing .The reason that I'm writing for you it's because I will likely to do a an unpaid internship with your magazine for 3 weeks . Also, I really love to learn about this industry, and I feel that I will bring some new ideas for this magazine.

I feel that LaSalle College thought me a lot about this Fashion industry, and I feel that I will bring some knowledge into this business world, therefore I expect one day to be your assistant as an Associate Fashion Editor for my internship. My dream has always been working for Loulou magazine because it is one of the most popular editorial magazines in Quebec. I wish one day I'll be part of an amazing team that I will work for, and I'll be gladly proud of myself acheviving my goals for working with you guys.

Thank you for taking your time to read my letters, and it will be an opportunity to meet you in person. Please feel free to contact me at (514) 918-6578 or by email Sha_rom@hotmail.com.

Sincerely,

Sharny
