for Kali Uchis

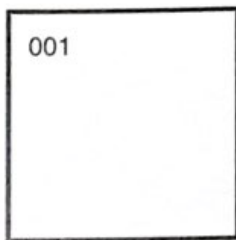

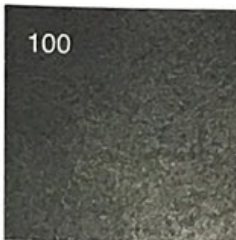

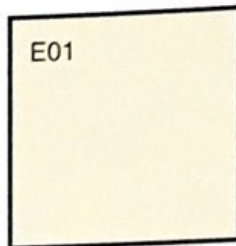

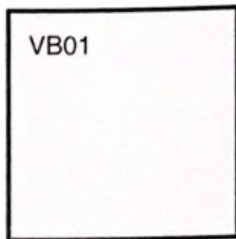

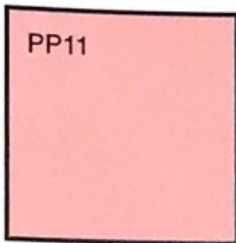

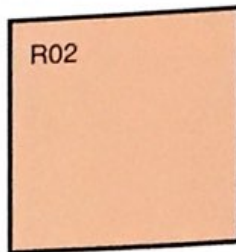

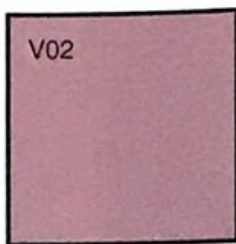

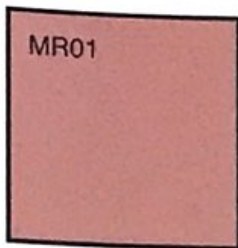

Latina Tears es la marca encomendada a hacer la nueva colección de ropa íntima para la cantante colombiana Kali Uchis. Esta firma se define por su alta sensualidad en cada prenda, y la mayoría de estas prendas fueron pensadas para ser utilizadas por la artista ya sea como atuendos para conciertos, sesiones fotográficas, y el uso personal de Kali.

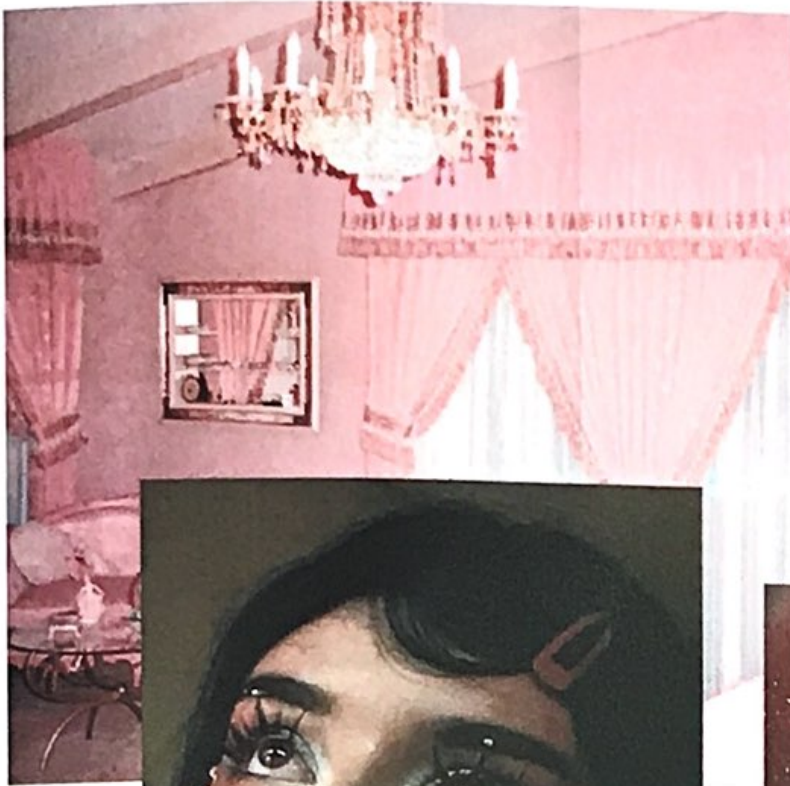

La marca toma inspiración estética, sobretodo, en el kitsch californiano de los años 70, tanto en objetos decorativos como el diseño de interiores de las casas de esta región durante esa época.
