

# LASALLE RETAIL

JIAJIN SHEN

Location: CF TORONTO EATON CENTRE  
1 L

# STAIRS

Located at the junction of stairs, It becomes the only way for people to go up and down stairs. the flow of people is large, easy to attract people's attention.

L1 is the place with the most prominent grade of the shopping mall, and it is the main area to directly attract customers' willingness to go upstairs for shopping.

The shop entrance was quite empty no Physical Barriers

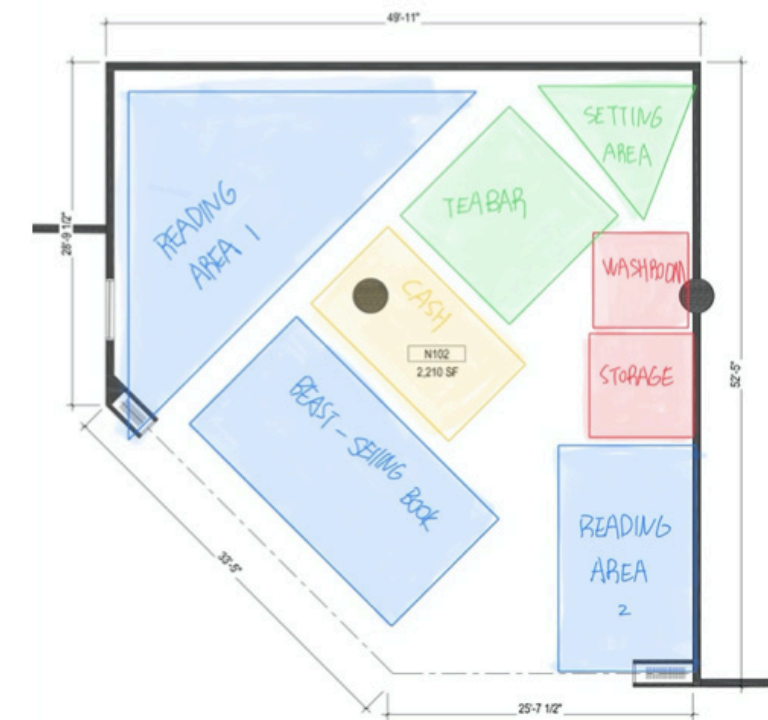

# INSPIRATION BOARD & CONCEPT

The whole design gives people a feeling of being in nature, wood and green leaves are used throughout the interior design, and warm light is used to create a warm feeling. the overall design is a combination of modern and classical
