

# Final photo shoots

Zixin Lyu

---

The photo has the significant environmental background, as for the emotion of the photo, the feeling is relaxed, gives viewers' impression that the photo is took by snapshot.

--- First time meet the girl

Natural lightening carry the emotion more elegant, smooth action, the impression of the photo is chilling.

--- chilling

Close shot and color make the photo more warmth, representing the relationship of the characters is well improved.

--- fall in love.

---

Turning back view carry the  
impression of someone called her  
from behind.

--- boy leave to the army.

Close look for the accessories, after the two lovers are separated, the accessories carry the emotion and represent how much she misses her lover by simply staring at the headpiece.

--- miss

Close shot gives stronger emotion expression, the feeling of the girl is sad and tired with eyes half closed.

--- the boy can't make it back from the frontline.
