Fashion Marketing

Please allow me to introduce myself, my name is Phuong Thao Lisa. I am writing to express my strong interest to work with your company for an internship. I am an experienced waitress who is able to be flexible, and able to manage multiple priorities at the same time. All of this makes me believe that I would be a strong candidate for your company. As a driven individual who wants to progress in the fashion industry, I am now looking to work in an energetic and performance-driven environment where talent is not overlooked. I feel that your company is a natural place for a hard working team player like myself who is passionate, fully capable of learning new things and resilient.

With my present employer, where I have worked for the past five years, I have gained a reputation for offering customers a convenient, high quality dining experience. I can easily work with others in a professional manner while attempting to achieve a common goal and would like to highlight my key strengths in areas such as persuasiveness, strategic and analytical thinking. Apart from my record as a professional waitress which speaks for itself, I am a sociable person who has a natural ability of connecting and building relationships with others.

One of my strongest points is my self-motivation which allows me to perform well under pressure and against aggressive deadlines in a pressurized environment. Being a highly analytical thinker I am able to quickly identify, scrutinize, and improve complex work processes. My enclosed resume will provide you with greater details of my background and what I have to offer to your company. In the meanwhile, I would like to thank you for considering my application.

Best regards,

Phuong Thao Lisa, Tran
