COLLECTION' W21

LAURA MIR

CONCEPT

The image features a hand-drawn graphic. A bright yellow rectangular background contains a smaller, textured yellow rectangle. Inside this textured rectangle is a white rectangle with a rough, torn-edge border. The word "CONCEPT" is written in a dark green, hand-drawn, slightly irregular font across the center of the white rectangle. To the right of the textured yellow rectangle, a portion of a grey, textured rectangular area is visible, suggesting the graphic is part of a larger composition or a page from a book.

Para el invierno 2021 la diseñadora Laura Muir presenta una colección infantil inspirada en estos dos conceptos: LIGTH & SHADOW.

La colección va dirigida hacia un target de una edad de 8 años aproximadamente. Presenta prendas **tanto para niña como para niño con un estilo sport** donde podemos ver prendas que puedan llevar ambos sexos. La colección está planteada para un público informal, pensada para niños que puedan estar cómodos con prendas elásticas, suaves y deshaogadas. Laura ha escogido tejidos como el algodón, tanto para camisetas como sudaderas, el terciopelo en pantalones y tops, el nylon también aparece en pantalones, chaquetas, abrigo y chalecos. Y finalmente en detalles, aparece el tull con bordados, prints y fornituras como las cremalleras.

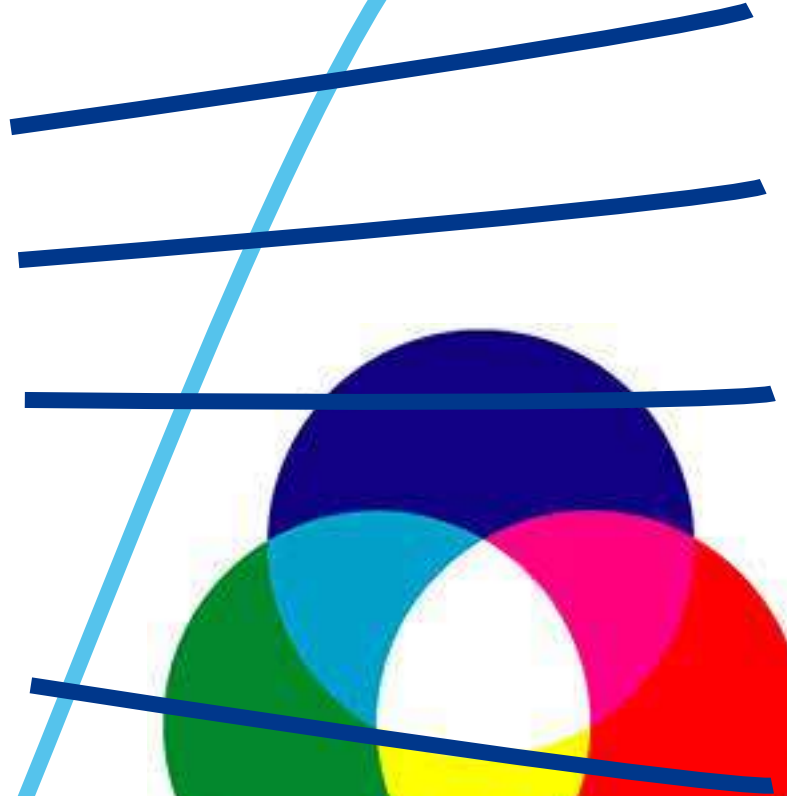

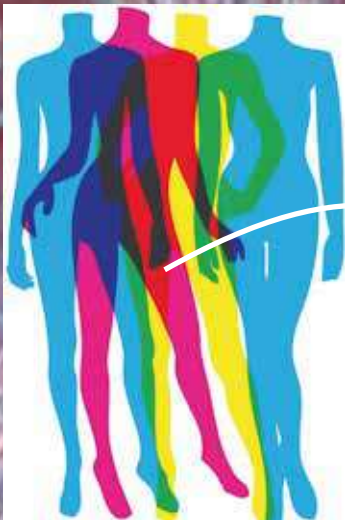

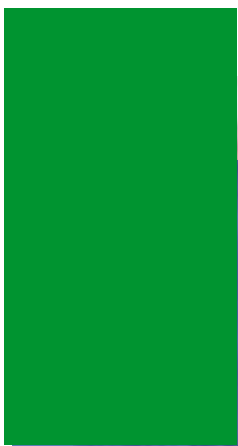

Para el próximo winter, la colección representa el **concepto LIGTH** en la repetición de 4 colores llamados “primary”. La diseñadora se inspira en los colores luz, aquellos que se denominan RGB: red, green and blue. Aparecen juntamente con color blanco y amarillo, dos tonos que le recuerdan también a la propia luz.

El **concepto SHADOW** aparece representado en pequeños detalles como los relieves marcados tanto en camisetas como vestidos, son prints posicionales que según el punto de vista hacen unas sombras u otras. Este juego de “cambio de sombras” lo acompaña también en varias aberturas y cierres con cremalleras en otro juego de “abrir y cerrar” que transmite el encender y apagar de la luz.

Por último, aparece también un fenómeno como los rayos de luz representados en prints de líneas que podemos ver tanto en detalles de camisetas como en bordados.

MOODBOARD

COLORS

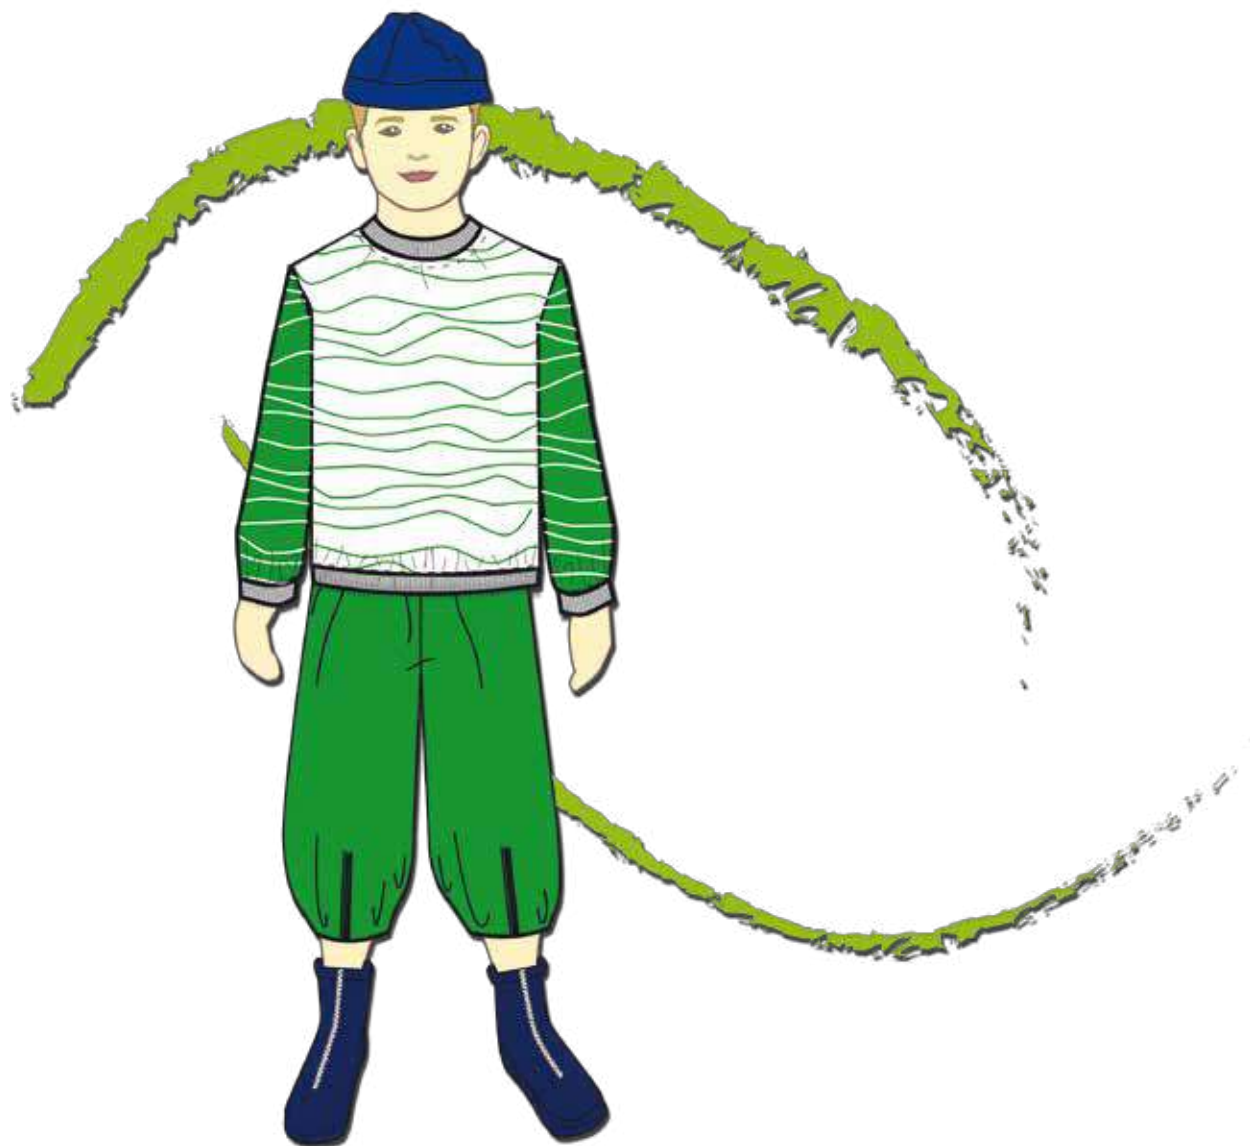

FORMS

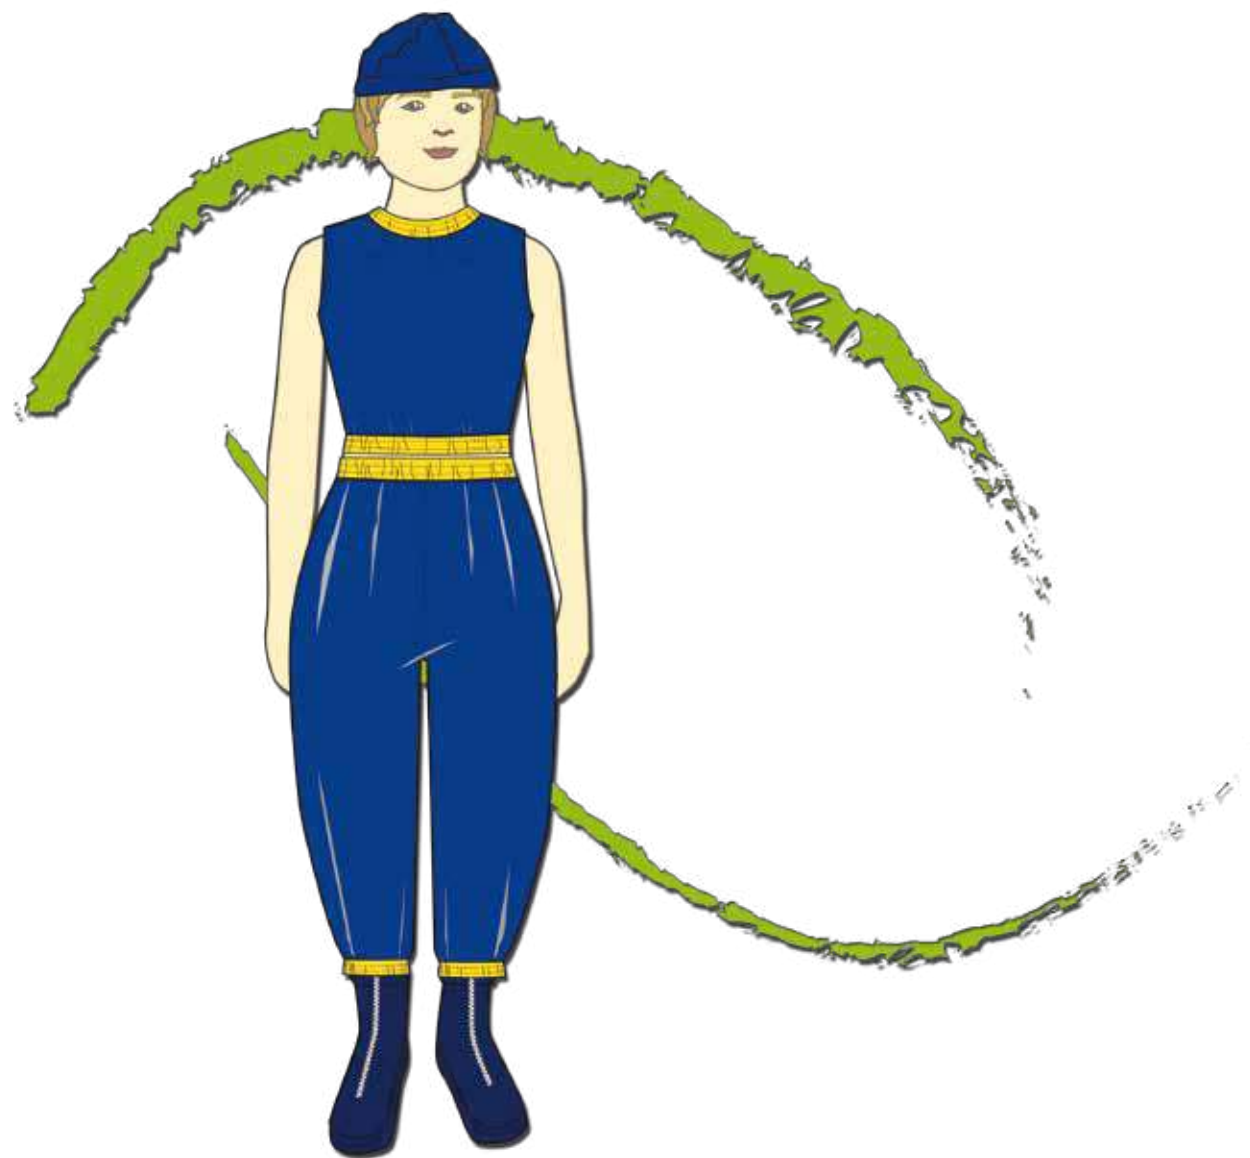

The image features a hand-drawn graphic. A white rectangular box with a torn, ragged edge is centered on a green background. The word "FIGURINES" is written in a white, hand-drawn, slightly irregular font within this box. The green background is composed of two shades: a darker green on the left and a lighter green on the right, separated by a vertical line. The overall style is that of a hand-drawn poster or sign.
