EXTRACURRICULARS

OCTOBER 2016- PRESENT

Member of the Vancouver Squash League

Player for a squash team in the VSL. Developed time management skills by training with the team once a week while enrolled as a full-time student. Also developed strong teamwork skills by participating in team matches every week. Successfully delivered results by acquiring and maintaining a positive win rate.

SEPTEMBER 2013- APRIL 2014

Student Representative during High School Senior Year

Attended and organized multiple events such as bullying awareness week, labour day and teachers' day. Participated in meetings with the school's academic directors about problem solving over bullying, student-student conflicts and student-teacher conflicts. Acquired analysis and debating skills while discussing student issues during the meetings. Further improved time management skills by successfully providing students with support while attending school at the same time. Provided support to students experiencing bullying thus developing listening and problem solving skills.
