

Project 02

Residential Design

Apartment Layout for Client

CLIENT PROFILE

A family of 4, with two parents and two girls ages 6-8. the mother is a teacher and likes to work at home, and the father is a lawyer and goes to work often. The oldest daughter loves to read, so we will include space for that. The mother loves to cook and needs a large open kitchen. The family requests lots of storage in their home as well.

DESIGN PROFILE

A large, open apartment that is clean, bright, spacious and well organized. The apartment will have a contemporary feel with a neutral colour palette and pops of colour throughout. There will be lots of storage, a home office for the mom, a large kitchen for cooking, and focus on the living room for reading and family gatherings. The space will have lots of white, natural wood, and plants throughout the home for a clean, bright and earthy feel.
