PROFILE

With over a decade of experience, Kadisha is a highly creative and dynamic fashion designer. She holds a bachelor's degree in Fashion Design and a DEC (Diploma of Collegial Studies) in the same field. Throughout her career, Kadisha has primarily worked as an independent designer, specializing in the construction of garments. Her focus has been on developing personal collections and crafting custom-made clothing.

WORK EXPERIENCE

Fashion Designer Assistant

Sonia Leclair

2023

- Cirque Eloize project: Assisting in the creation of costumes for cirque Eloize's spectacle: Le GÉANT; from patternmaking to sewing prototypes to model fittings and making necessary alterations and completing final pieces.
- Custom made pieces: Assisting in the different process of creating a garment, from patternmaking to cutting the fabric to sewing prototypes and final pieces.

Head Fashion Designer

Nymphette lingerie

2017-2020

- Nymphette Lingerie: Managed entire product design process, from initial market research to mood board creation to sketching/designing to patternmaking and sewing of prototypes and final pieces.
- Management of the brand's social media, exhibitions, runways and pop-ups.
- Nymphette Runway 2018: Design, organization and coordination of the event.
- Workshops: Organizing lingerie workshops and fashion design short courses.

Fashion Design Teacher

Instituto Dicormo

2018-2019

- Teacher of the Design class for first, second and third year students.
- Planification of every class and development of monthly projects for the students.
- Assisting on the Institute Fashion projects.

OTHER PROJECTS

- Photoshoot: Stylist assistant for Raphael Viens at LaSalle College on December 2022.
- Backstage coordinator for the fashion show at the launch of the book "Lignes de fuite Vol.3" on October 2022
- Design and manufacture of garments for the photoshoot "Garden of Earthly Delights" for Lignes de fuite on August 2022
- Musical Video: Stylist assistant for Joshua Boudreau on May 2022.
