INTERIOR DESIGN

# A&F RESIDENCE

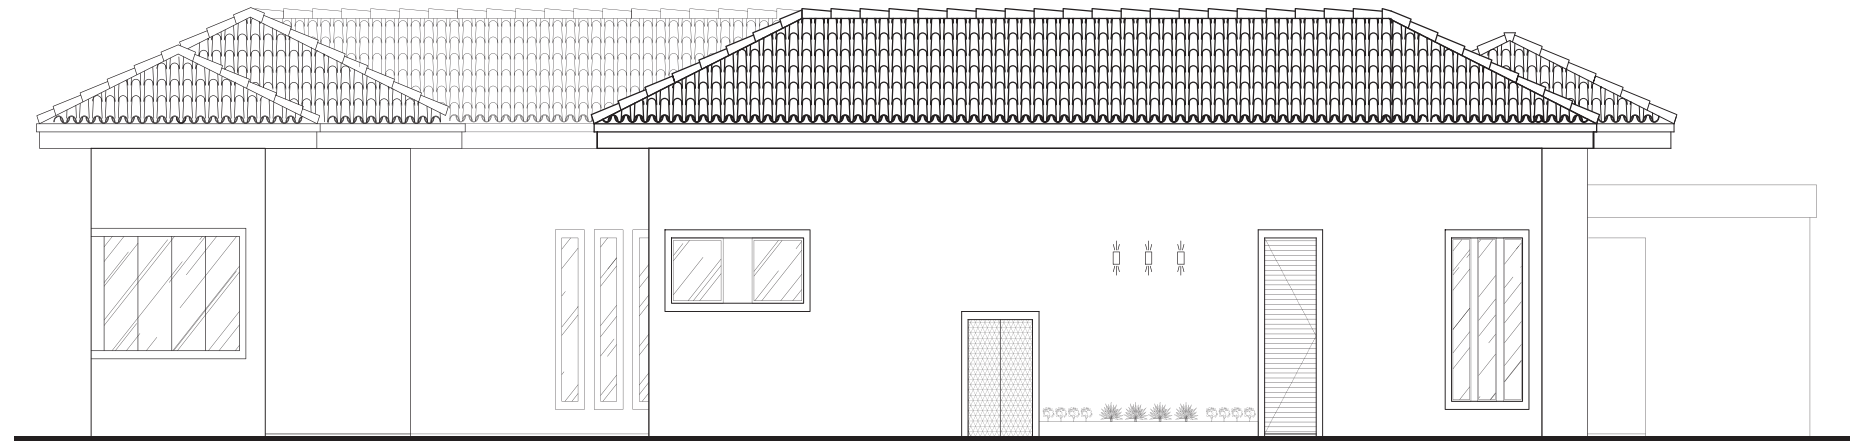

CONFINS - BRAZIL

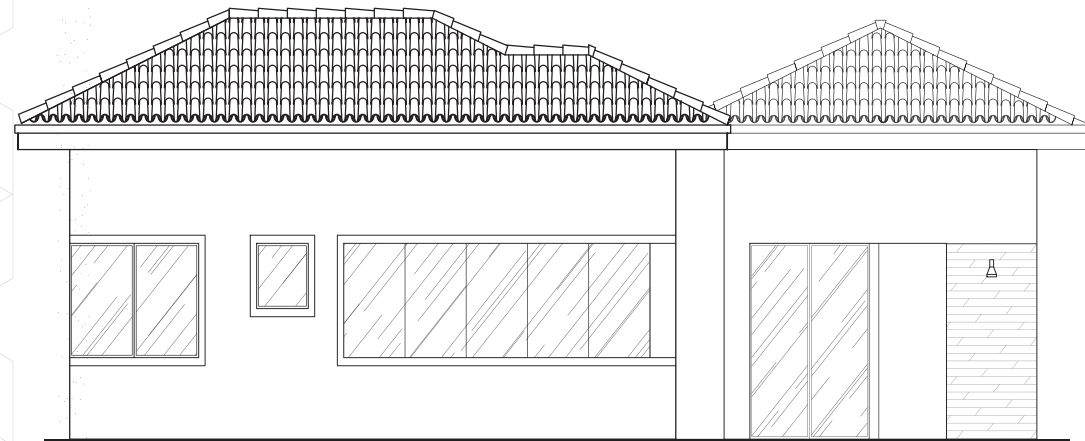

Located in a private condominium, this residence was designed to house a young couple, and their two children. Among the requirements, they asked for a 1-story traditional house, and that the kitchen was inviting to friends, as they are passionate about cooking.

### COURTYARD

The internal deck patio with swimming pool, works as an extension of the social area, through the glass doors that connect the foyer with the gourmet kitchen.

## INTERIOR DESIGN PROJECT

The interior design contracted design has been summed up the social part of the house, which includes foyer, TV room and kitchen

CONFINS - BRAZIL

### TV ROOM

The couple preferred that the living space be outside, but to the interior of the house, a cozy TV room, and a simple armchair at the entrance of the house. It was important to them that the kitchen should stand out, and accommodate their friends well.

# ANDY RESIDENCE

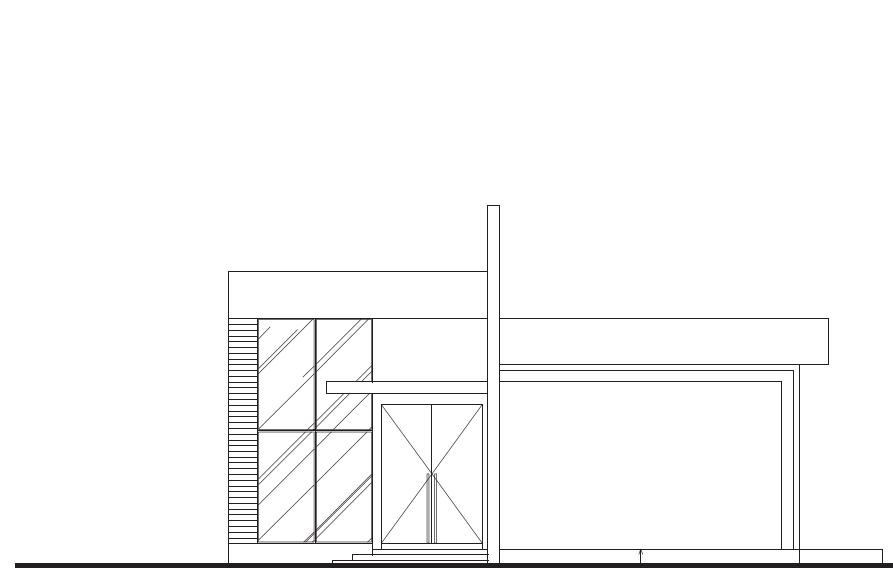

PEDRO LEOPOLDO - BRAZIL

Andy Residence was produced for an investment in real estate.

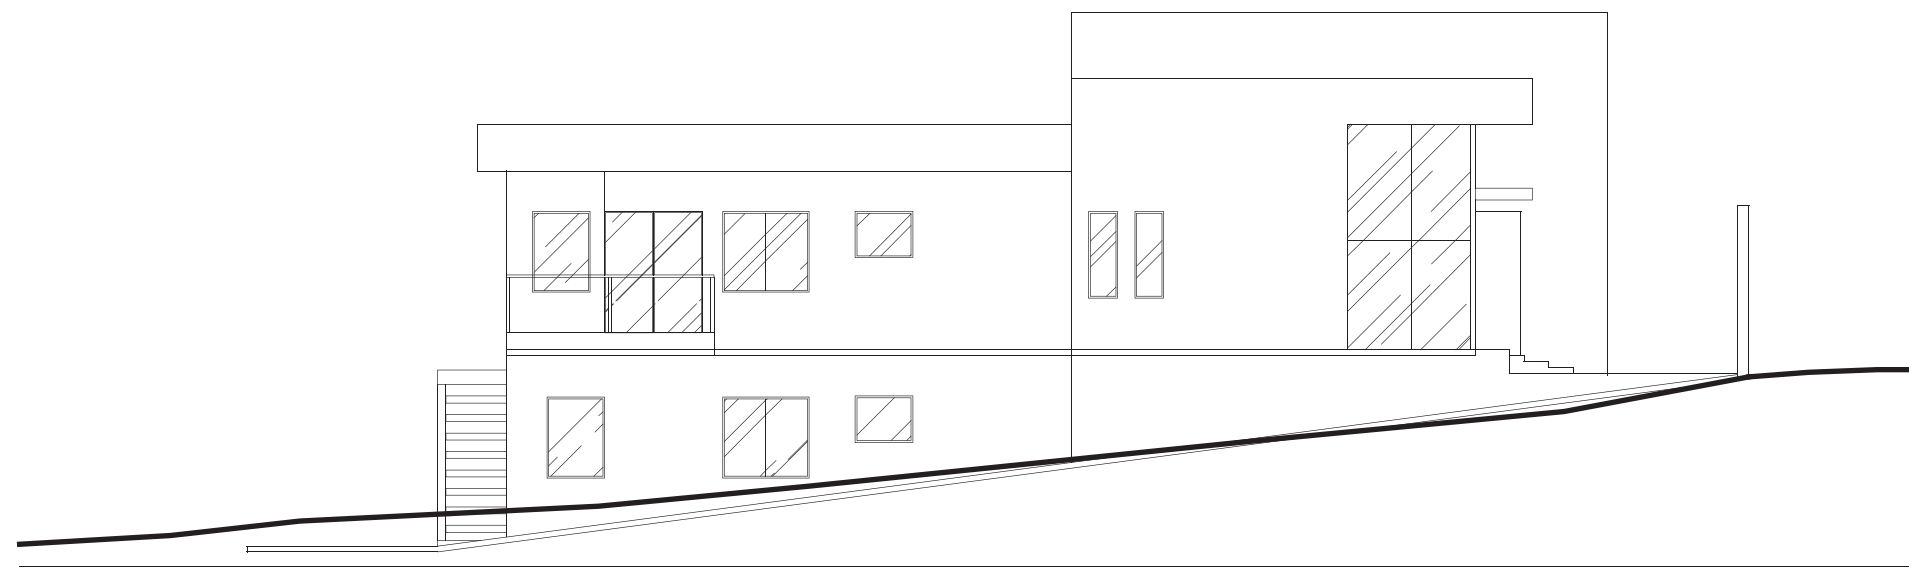

The owner wanted a contemporary house with a elegant and attractive facade.
