FASHION DESIGN  
GRADUATE

TECHNICAL DESIGNER

## Profile

Fashion design graduate with proficient skills in various software. Eager to learn new things. Have a good understanding of garment construction & production process; experienced in sewing and pattern making. Currently looking for an opportunity to advance my skills and gain experiences.

## Experience

### TECHNICAL DESIGNER- LULU KIDS CLOTHING

#### 2020-PRESENT [FULL-TIME]

My job as a technical designer includes preparing collection board, creating technical sketches and zooms; filling in tech-packs, preparing artwork set-up (screen print and AOP), preparing order forms.

### SIGNATURE 2020 PHOTOSHOOT- COLLEGE LASALLE

#### 2020

My group and I had the pleasure to design, make the garments for the "Signature 2020" collection. We also assisted through-out the photoshoot, including organizing looks, managing props and set-up background.

### SOUS-CHEF- BATEAU D'ASIE

#### 2017-PRESENT [PART-TIME]

This weekend job gives me the ability to work under pressure, handling high-volume orders; train me to be flexible and sharpen my problem-solving skill.

### MANAGER- THAI EXPRESS (ST-GEORGES DE BEAUCE)

#### 2016-2017 [FULL-TIME]

My experience as a manager required me to be great in customer service; able to manage a team of 5, multi-tasking and take charge of the situation.
