"After seeing how Modcloth was not only able to incorporate plus clothing into their collection, but made it available in this store for everyone to try on... I was shook. It was amazing. I really hope that other brands learn from the amazing job Modcloth is doing to serve women of all sizes." - This Is Jessica Torres, style blogger I Heart My Body, & fashion & body positive reporter at Revelist

modcloth This month, our exclusive collection is modeled by inspiring people & personalities who express their individuality through their passions, actions, drive, & style. They are business owners, writers, artists, style icons, nonprofit organizers, movers, shakers, & groundbreakers. *

*

One thing they all have in common? Stories worth telling and statements worth spreading. *

Style, for real. And #StyleForAll. *

*

(See our blog for their unique stories. Link in bio.)
