MARIA GISBERT DEL RIO

PROFILE

I am a young fashion designer graduated at LCI Barcelona in a fashion design degree. My interest in the fashion world started since a young age, because I saw in fashion a quotidian act of art but I always struggled with the balance of art and comfort in clothes, the last one been a major priority for me. sometimes it can be kind of a jigsaw for a woman to dress feminine and comfortable. Fashion it's a constant of progress and change.

THE GREAT GATSBY
A/W 2018

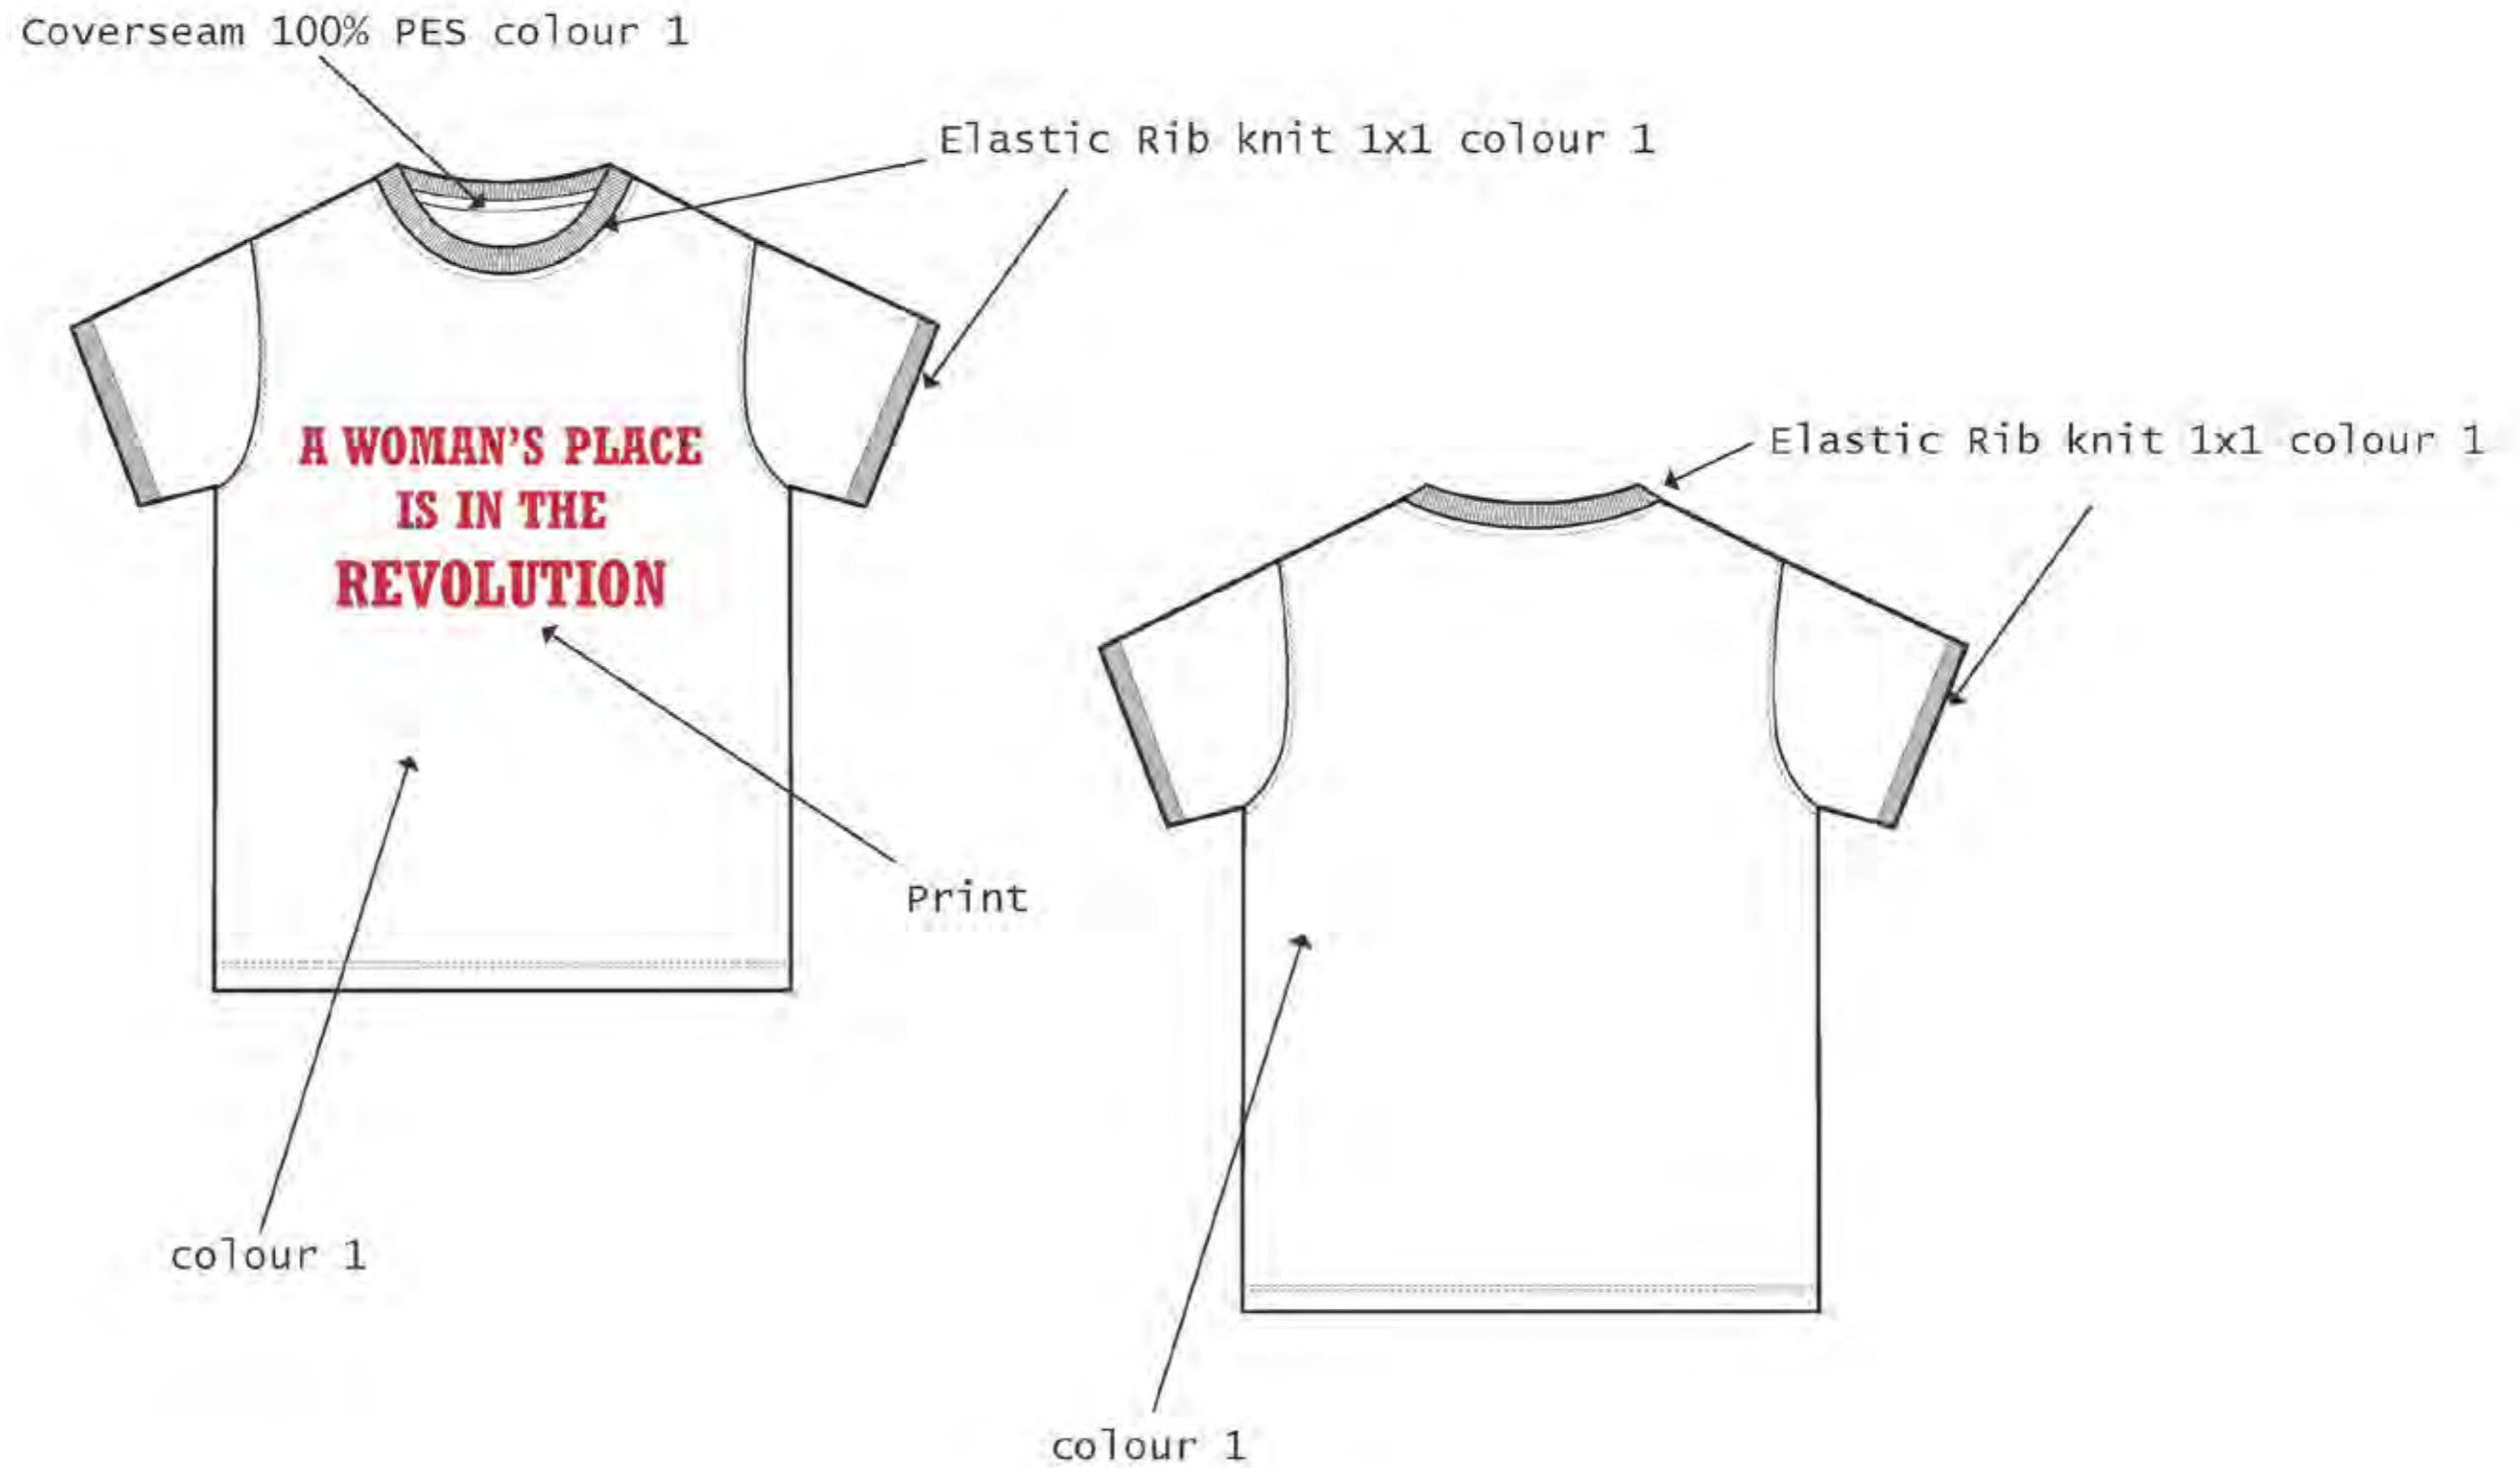

En el verano de 1922 el ritmo de la ciudad se aproximaba a la histeria. Las acciones alcanzaban puntos históricos y Wall Street prosperaba en un rugido constante y dorado.
