Frank **+Oak**

Frank And Oak is an online-only purveyor of modern menswear founded in Montreal in 2012. Their brand and priority is based on using sustainable materials and methods for their products along with ethical practices throughout their supply chain to produce quality clothing that lasts.

ARITZIA

Aritzia is a Canada-based design house and fashion retailer of exclusive brands. The Company conceives, creates, develops and sells a mix of women's fashion products directly to its customers. It designs apparel and accessories for its collection of exclusive brands and sells them under the Aritzia banner.

COS

COS is a brand for women and men who want modern, functional, considered design. Offering reinvented classics and wardrobe essentials, they create pieces that are made to last beyond the season. Their traditional methods and their new techniques merge to form timeless, understated collections.

CLUB MONACO

Club Monaco is a Canadian-founded high-end casual clothing retailer. Monthly, they bring in a new collection, alternating between elevated casual styles during the northern spring and summer and more formal offerings during autumn and winter.
