ABOUT ME

I characterize myself as a dedicated, proactive and self-taught, able to work in an interdisciplinary group.

I seek to develop functional and esthetic designs in which there is a correct use of the space, solving the different current problems generating concrete results and a correct combination between creativity, functionality and innovation.

EDUCATION

2013 High School degree Colegio del Santo Angel, Bogotá, Colombia.

2016 Interior Design degree LaSalle College International, Bogotá, Colombia.
