Silent City By KAWS (Brian Donnelly)

This painting is gives an impression as if it was some childish cartoon-ish colourful piece of art. It is a perfect example of thinking outside the box while still staying aligned with one's vision.

2014 Forest Hills Drive By J Cole

He made me realize that most people try to hard to fit in todays society, which makes them act like someone else just to feel accepted. He also made me realize that art is often based on other people's creations which is not a bad thing as long as it is not an exact copy.
