WORK EXPERIENCE

IT Stand on campus part-time / College LaSalle (2017)

I have been enrolled in this stand taking care of the newcomer alumni and taking care of the connection issue they might have related to the BYOB environment hold in the faculty. Also troubleshoot minor software issues with the software handed by the college for certain types of professions such as installation of adobe products or finding key-related issues.

PROFESSIONAL SKILLS

- Networking
- Linux/GNU Environments
- Scripting (PowerShell & Bash)
- C++ & C#
- Microsoft Networks
