ME, MYSELF AND I

Flo.. a happy, young, energetic, fun, fast learner, detail-orientated, smart and adventurous girl. I have psychology background and it helps me to design things and communicate ideas or info through some media (posters, logos, pictures, photos). Curiosity always got the best of me --which is good-- because i can learn a lot of new things and find interesting facts from curiosity. I enjoyed working in team or alone. I'm a dependable person and you can count on me.

"DON'T BE PERFECT, BE AWESOME!"
