About me:

My name is Shikang Feng. I have a steady, energetic personality, and treat people with enthusiasm and sincerity. There is a strong professional ethics and solid basic knowledge. Work seriously and responsibly, take the initiative to take responsibility, actively establish a good working relationship with the surrounding working environment, and have a certain ability to coordinate resources. Work closely with colleagues and other departments, have strong organizational skills, practical hands-on ability and teamwork spirit. Can quickly adapt to various environments and integrate them.
