Work History:

- **Gap Carrefour Angrignon 2014-2016:**
Working on sales floor as a sales associate. My responsibilities include assisting customers with finding garment sizes or certain garments in store, replenishing and maintaining the displays and store sections, responding to different size, price and inventory checks and ensuring that positive customer service is given to each customer. I also work in the fitting rooms where my responsibilities include finding sizes for customers, counselling them on fits and styles and building outfits for customers.
- **Montreal City Mission (Camp Cosmos):June-August 2011, 2013, 2015**
Worked as an educator integrating campers with special needs. My task was to ensure their safety and make sure they were well integrated into camp life. In addition, I supported the other counselors on the team to ensure the safety of the other campers, especially on outings and during swimming time.
- **Old Navy Eaton Center September 2013-2014**
Working on sales floor as a sales associate. My responsibilities include assisting customers with finding garment sizes or certain garments in store, replenishing and maintaining the displays and store sections, responding to different size, price and inventory checks and ensuring that positive customer service is given to each customer. One of my other responsibilities is to stand at the door and act as the fashion host (greeter). The latter includes greeting customers when they enter and depart the store, showing them to the proper aisle and relaying information regarding discounts and promotions.
- **City of Ottawa (Cyrville Community Center): October 2012-April 2013**
Worked as a counselor in the afterschool program (bilingual) with children ages 5-12. My responsibilities included greeting the students as they arrived off the school bus and taking care of attendance. Supervision during both free play, and snack and homework time. Leading structured games and activities with the students. Meeting and greeting the parents at the end of the day and accompanying the students to the park for either free play or structured games and activities.

Worked as a counselor during Pedagogical days. My responsibilities included accompanying the group on outings, supervision of a small group (5-8 children per group) during the outing. Leading and/or participating in structured games and activities on both the outing and at Cyrville Community Center, and supervising the children during free playtime on the outings and at Cyrville Community center.

- **Montreal City Mission (Camp Cosmos):June-August 2012**

Worked as the assistant coordinator for the special needs program. My responsibilities included designing activities, coordinating social worker meeting with the coordinator of the program and facilitating meeting with the other educators during camp. Worked as an educator integrating a camper with special needs. My task was to ensure his safety and make sure he was well integrated into camp life. I also supported the other counselors on the team to ensure the safety of the other campers, especially on outings and during swimming time.

Internships:

- **Gap Carrefour Angrignon April 2014-May 2014**

Completed a 45 hour internship as part of my CEGEP program requirements. My responsibilities included customer service on the sales floor; visual display; and recovery. I was introduced to various aspects of working in a retail setting such as shipments; understanding the daily trends and daily goals; learning about the different garments, styles and sizes specific to Gap; and customer needs relating to the garments, sizes and styles.

Community Service:

- **Special Olympics, Southwest Chapter: 2004-2009**

Worked as a volunteer Thursday nights during the athletic club. My responsibilities included leading warm ups and cool downs, helping athletes complete different tasks such as the obstacle course and parachute and helping athletes to their adapted transport. I also was responsible for helping out during the annual spaghetti dinner dance fundraiser and bi annual floor hockey tournament.

- **CPE Narnia: Summer 2008 and 2009**

Worked as a volunteer in a downtown daycare center. My responsibilities included accompanying the children on outings and supervision during swimming or park time, supervision and distribution of lunches and snacks and story time before naptime.

- **Kids On The Block: 2007-08**

Puppeteer in a show teaching children about children living with disabilities. We travelled to different elementary schools around the island of Montreal performing our puppet show and taking questions from different audience members.

- **St. George's High School Musicals: 2005-06, "Applause"; 2007-08 "Once Upon a Mattress"; 2008-09, "From Boulevard to Broadway", 2009-10 "The Music Man"**
