about WCF

We Connect Fashion is an online fashion network that provides information such as manufacturers, suppliers, buyers, trends, and other fashion business information founded by Oley DiCenso. Established in 1998, WCF has helped hundreds of thousands of international fashion professionals with their business. They can make contact and stay connected using WCF directories. Besides that, WCF also help fashion businesses to identify opportunities with how-to guides, peruse market research and trade show calendar.
