CONCEPT

Conceptual design is to integrate Canadian history and culture into modern life. In addition to enjoying the scenery of British Columbia, guest can also learn about the art, culture and stories of the past. We will add some historical furniture and decorative colors to the hotel. Let guests have special experience and memories.

SITE ANALYSIS

Location: 138 Victory Ship Way, North Vancouver, BC ,
Canada

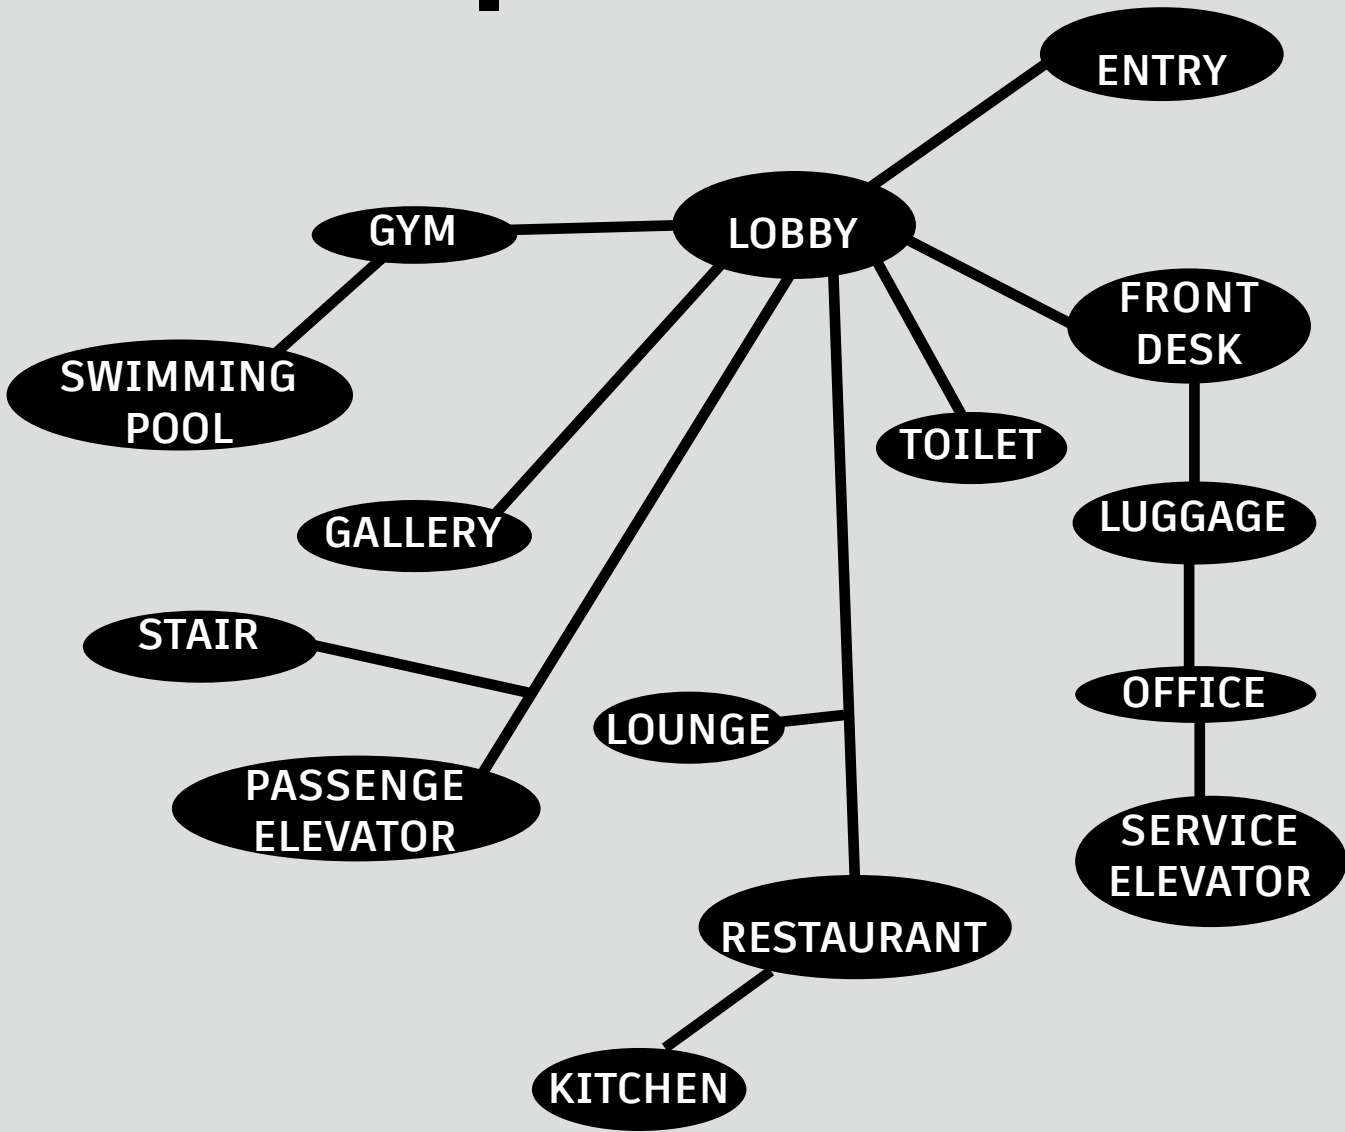

The place is located in North Vancouver. It is a city in the Greater Vancouver area of British Columbia, Canada, on the north shore of Ballard Bay. It is the smallest and most urbanized of the three north Shore towns in the DuVan region. Although it has its own shipping, chemical, video and other important manufacturing industries, it is generally considered to be a small town on the outskirts of Vancouver.
