SEATING AREA

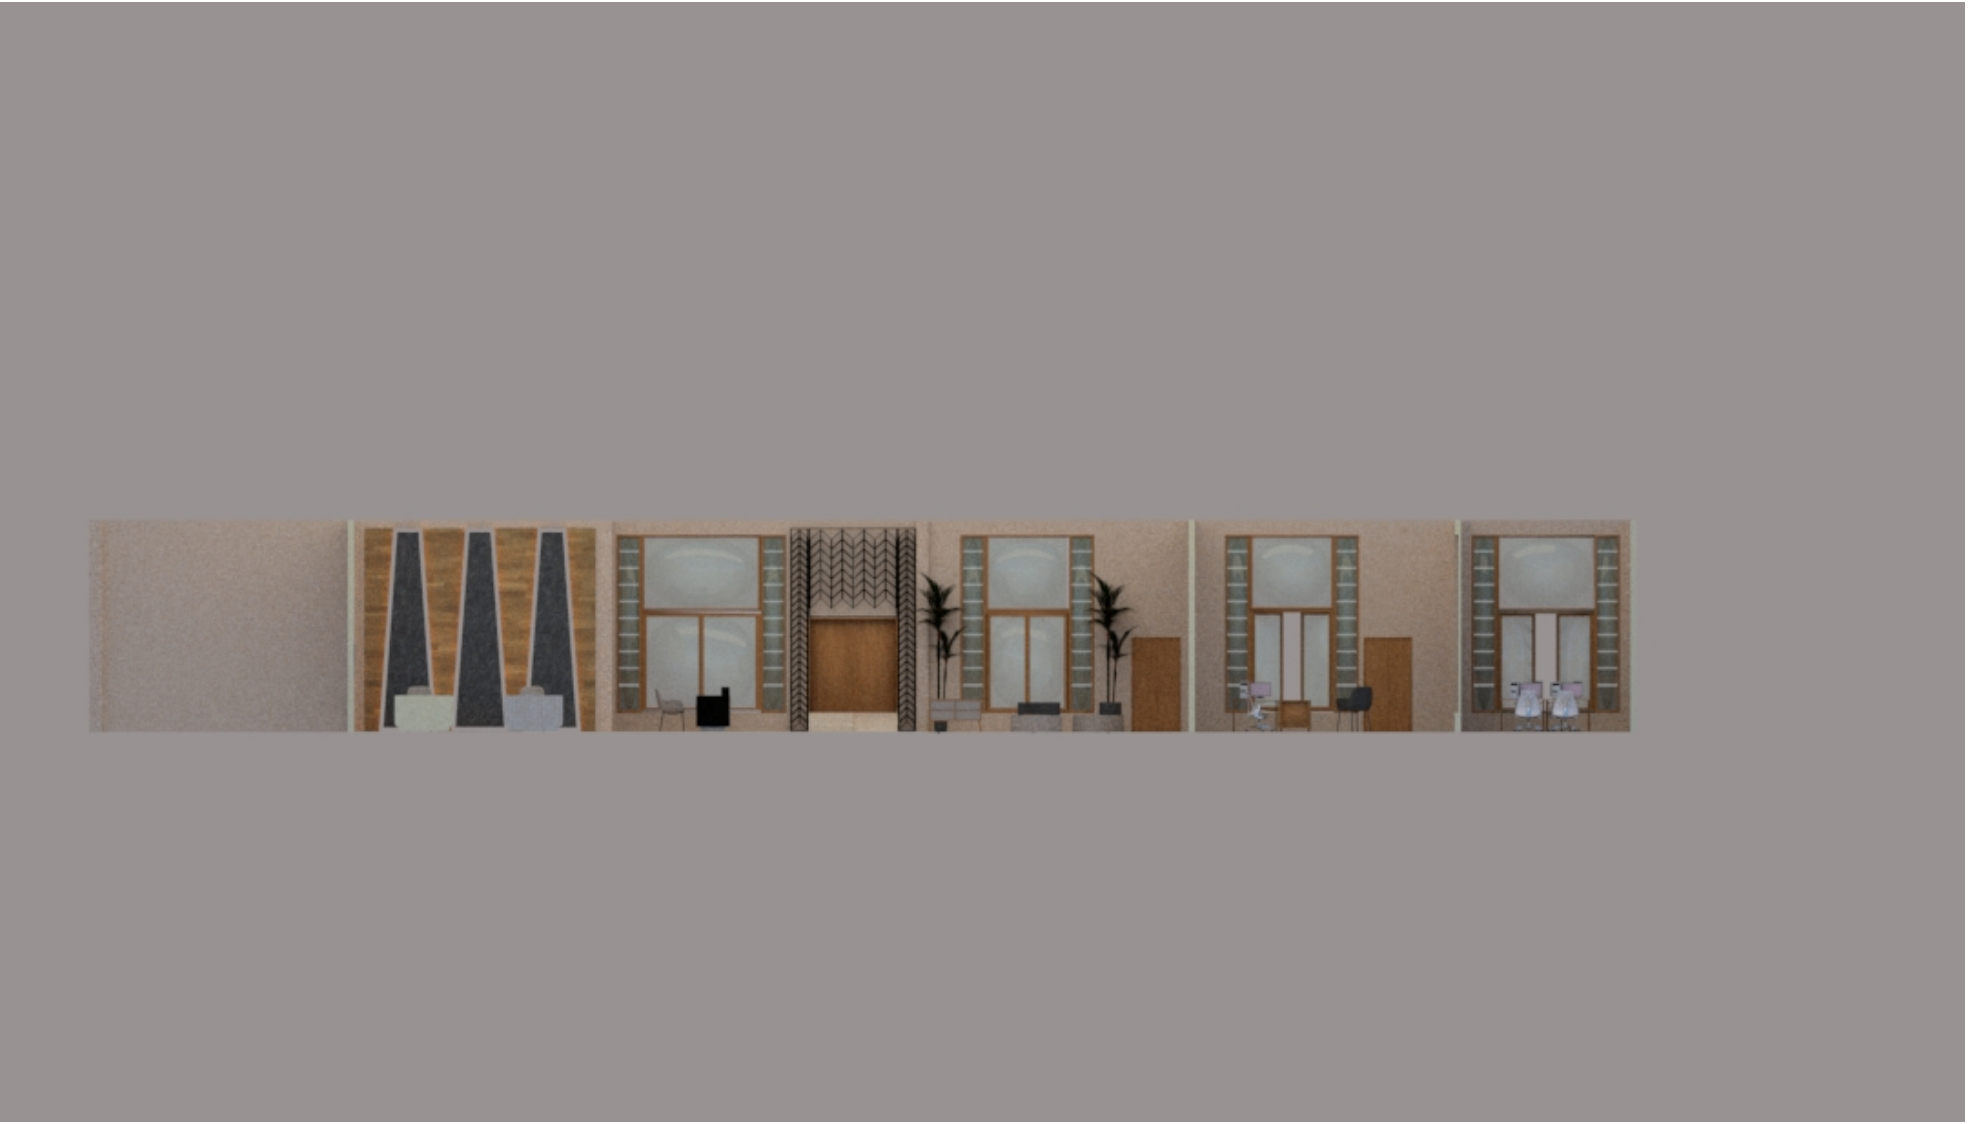

Alem Resort: Lobby

The inspiration of this lobby came from the traditional house of Bangka Belitung which is commonly found near the beach.

RECEPTION

# Alem Resort: Restaurant

The restaurant takes inspiration from the cultural aspects of Bangka Belitung community. Bangka Belitung community is famous for their tolerance, so this organic layout compliments the cultural aesthetics.

SUITE

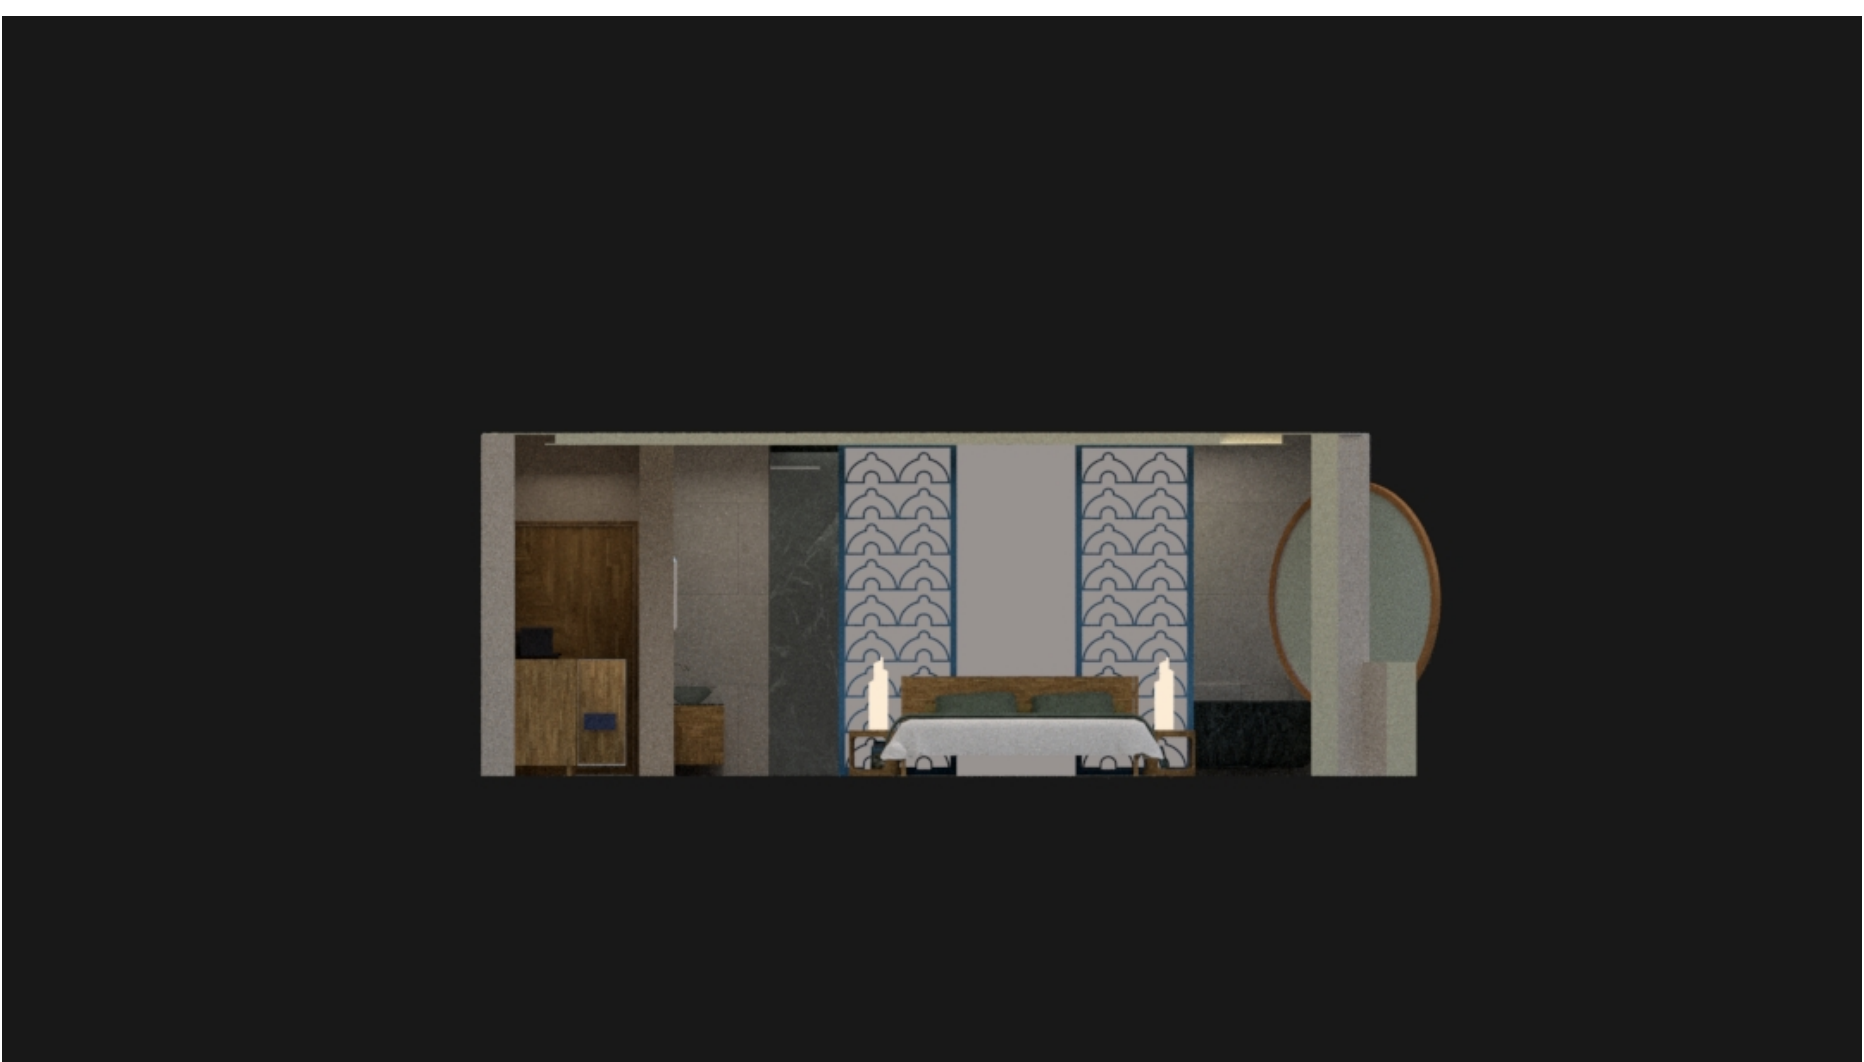

MINI BAR

# Alem Resort: Suite

The inspiration for this suite came from the most popular commodity in the Parai Tenggara beach which is mackerel fish. This inspiration is appropriate for a honeymoon suite because couples always travel together the same way mackerel fish travel together.
